PERSONAL SUMMARY

I am a DPhil student at the University of Oxford investigating processes of change in cognitive therapy for Posttraumatic Stress Disorder. My main research interest is evidence-based health care, particularly in clinical psychology. I value, advocate, and implement open science practices in my work. I am also enthusiastic about using social media to make research outputs accessible to the wider public.

EDUCATION AND QUALIFICATIONS

University of Oxford DPhil in Experimental Psychology Thesis: Processes of change in cognitive therapy for Posttraumatic Stress Disorder Supervised by Prof. Anke Ehlers and Prof. David M. Clark	<i>October 2016 - Present</i>
Technische Universität Braunschweig MSc in Psychology Study focus: Clinical Psychology	August 2013 - September 2015
Technische Universität Braunschweig BSc in Psychology	August 2011 - September 2013
University of Groningen BSc in Psychology	September 2010 - August 2011
DRK-Rettungsschule Goslar Rettungssanitäter (in english 'Ambulance Care Assistant')	January 2011- February 2011

CLINICAL & RESEARCH EXPERIENCE

University of Oxford <i>Part-time Research Assistant, Oxford Centre for Anxiety Disorders and Trauma</i>	<i>October 2016 - Present</i> <i>Oxford, UK</i>
<ul style="list-style-type: none">· Creating videos for training clinical psychologists in specialised cognitive behavioural treatments.· Teaching and supervising Research Assistants in filming and editing techniques.	
University of Oxford <i>Research Assistant, Oxford Centre for Anxiety Disorders and Trauma</i>	April 2015 - August 2016 <i>Oxford, UK</i>
<ul style="list-style-type: none">· Production of patient testimonials and educational videos together with clinical psychologists.· Creating whiteboard videos and animating psycho-educational illustrations.· Administration of text, video and audio content for online therapy programmes.	
Technische Universität Braunschweig <i>Part-time Research Assistant, Institute of Clinical Psychology</i>	September 2012 - March 2015 <i>Braunschweig, GER</i>
<ul style="list-style-type: none">· Conducting clinical interviews with adolescents for a longitudinal study.· Analysing quantitative data from a longitudinal study.· Managing and setting up large databases for national and international research teams.	
Local Health Authority Berlin Pankow <i>Intern, Social Psychiatric Department</i>	February 2012 - March 2012 <i>Berlin, GER</i>

- Conducting initial clinical interviews as well as follow-up interviews under supervision.
- Making house calls as part of a multidisciplinary team in emergency situations.

TEACHING EXPERIENCE

University of Oxford

January 2018 - February 2018

Demonstrator, Department of Experimental Psychology

Oxford, UK

- Module: Psychological Disorders and Individual Differences.

Technische Universität Braunschweig

April 2014 - March 2015

Teaching Assistant, Institute of Clinical Psychology

Braunschweig, GER

- Module: Practical Course of Psychological Diagnostics.
- Module: Fundamentals of Psychological Diagnostics.

Technische Universität Braunschweig

September 2012 - January 2014

Teaching Assistant, Institute of Methodology and Biopsychology

Braunschweig, GER

- Module: Laboratory Experience and Analysis with Statistical Software.

ADDITIONAL EXPERIENCE

University of Oxford

July 2017 - September 2017

Part-time Research Assistant, Faculty of History

Oxford, UK

- Production of video for the workshop: 'Changing lives: Understanding what enables children growing up in adversity to thrive in modern Britain'.

Arbeiter-Samariter-Bund Braunschweig

May 2010 - March 2015

Ambulance Care Assistant

Braunschweig, GER

- Medical care during the qualified transport of patients.
- First aid and emergency treatment of patients.
- Independent ambulance coach driver in the in-house emergency centre.

Arbeiter-Samariter-Bund Braunschweig

July 2008 - March 2009

Civilian Service

Braunschweig, GER

- Getting trained as an 'Ambulance Care Assistant'.
- Medical care during the qualified transport of patients.
- Independent ambulance coach driver in the in-house emergency centre.

SCHOLARSHIPS

Mental Health Research UK

May 2018

Travel Grant

- Networks Summer School 2018 in Amsterdam.

University of Oxford, Wolfson College

June 2017

Travel Grant

- Conference of the European Association for Behavioural and Cognitive Therapies in 2017.

Mental Health Research UK

October 2016

PhD Scholarship

- Full-time PhD scholarship for up to four years.

- Financial support for an internship at the Oxford Centre for Anxiety Disorders and Trauma.

SELECTION OF PROFESSIONAL DEVELOPMENT

Summer school of advanced quantitative methods <i>Summer School (5 days), University of Oxford, Department of Education</i>	May 2018
Testing for mediation and moderation using Mplus <i>Workshop (1 day), Figure It Out - Statistical Consultancy and Training</i>	June 2017
Multilevel analysis for longitudinal data <i>Workshop (3 days), Universität Landau, Methodenzentrum</i>	February 2016
Structural equation models for longitudinal data <i>Workshop (2 days), Universität Landau, Methodenzentrum</i>	February 2016

TECHNICAL STRENGTHS

Statistical analysis & Data science	R, GitHub, Mplus, JASP, Jamovi, Praat, SPSS
Scientific writing & Office programs	R Markdown, L ^A T _E X, iWork, Microsoft Office
Video & Audio editing	Final Cut X, Audacity, iZotope RX
Driving licence	Clean category B
